Notice of Long Distance Carrier Change

Dear Bright Long Distance Customer:

Great news for your long-distance service! Your current long-distance company, Bright Long Distance LTD ("BLD") has agreed to transfer a portion of its customer base to Sherwood Mutual Telephone Association. **Beginning on or after September 15, 2017, SMTA Long Distance ("SMTA LD"), a division of Sherwood Mutual Telephone Association, will become your new domestic (US) long distance telecommunication service provider.** The specific date of the transfer may differ depending upon when we receive the necessary Federal and State regulatory approvals.

This transaction will not affect the service you currently receive. You will continue to receive services with the same rates, features, terms and conditions as you currently enjoy. Billing will continue to be provided by Sherwood Mutual Telephone Association, just as it has been. In the event that changes are made to your service, you will be notified by separate mailing or bill insert at least thirty (30) days prior to the changes becoming effective.

BLD will continue to provide your international long-distance service and Sherwood Mutual Telephone Association will continue to act as their agent for billing and collection as well as customer service.

You will not incur any charges for the transfer of your long-distance account to SMTA LD. All charges associated with that transfer will be borne by SMTA LD. Although you have the right to select the long-distance carrier of your choice, we value your business and hope that SMTA LD may continue to serve you. If you should choose another long-distance provider you will need to contact that carrier directly to arrange for the change prior to the transfer of your services to SMTA LD. You may also incur service initiation fees from that provider for establishing a new service account.

If you have a preferred carrier freeze on your account it will be automatically lifted to implement the transfer to SMTA LD. You will need to contact SMTA LD or the long-distance provider you selected to arrange for a new freeze.

Sherwood Mutual Telephone Association will be responsible for responding to any customer inquiries or complaints prior to and during the transfer of service from BLD to SMTA LD. **Our customer service number 419-899-2121, which will remain the same after your services are transferred.**

We welcome you to SMTA LD and look forward to providing the same high-quality service to which you have grown accustomed with BLD.

Cordially,

Rick Rostorfer
